“NOTE FROM THE EDITOR”

There are many Hospitals & Institutions in the Texas Tri-County Area that are selflessly being visited by Area NA members. I have contacts and information for most of those I am aware of. The individuals giving of themselves at these facilities are just that, individuals. If you, or someone you are aware of, is/are going into facilities and would like to have your favorite facility evaluated and considered by the TTCANA H&I Sub-committee for an H&I Sub-committee presentation, with an eye towards conducting future H&I meetings/presentations, please contact Jen F., Kerry B., or Gino H., your Group H&I Rep, or anyone on the list. Or, bring it to the monthly Area H&I Sub-committee meeting.

Conducting a meeting/presentation while following The Traditions and H&I guidelines helps to ensure that a clear NA message is being presented to those who may not otherwise have access to anything NA has to offer. Conducting an H&I meeting/presentation also makes the considerable resources of literature, manpower, experience, strength, and hope that our very blessed TTCANA has available.

Thank you for allowing me to be of loving service, Kerry B. “I can't, we can”

P.S.: If you have any questions, comments, or concerns about any of the information on this list, please do not hesitate to make me aware of it. Any issues will be addressed ASAP.

P.S.S.: Susen G./Tejas Bluebonnet Region H&I Facilitator has asked all TBRNA Area H&I's to root out and collect contact info from members who are TDCJ approved to carry meetings into prisons/facilities. If you, or someone you know, is TDCJ approved please contact me.
